## APSA 2021 Webinar Series

To promote the efficient growth and the interests of the structured finance industry in the Asia-Pacific region, APSA is running a series of webinars in 2021. The webinars will cover emerging topics facing the securitisation industry and will be delivered by experts working in this field.

### Webinar 2:

#### Use of Orphan Special Purpose Vehicles (“SPVs”) for Structured Finance

In this webinar, we will explore how the use of an orphan SPV structure achieves the common goals of structured finance, including bankruptcy remoteness and off-balance sheet treatment and why a Cayman exempted company is the vehicle of choice in Asia when compared to other offshore jurisdictions and other corporate entities. We will go over the details of how to set up and run a Cayman orphan SPVs and also some common questions relating to the orphan structure.
